A MARINE FIGHTING FOR HOOSIER FAMILIES

Four years ago, you helped sweep Republicans into power in Washington to drain the swamp and restore conservative values.

- China is finally being held accountable
- Fewer regulations on job creators
- More than 200 conservative judges on the bench, ready to protect your freedoms
- Our border is more secure, with crossings at record lows
- Our troops have received historic raises and our veterans are better cared for

But today, our conservative success is under attack from the far left. As we approach another crucial Election Day, let's stand together for our future.

A MESSAGE FROM GOVERNOR ERIC HOLCOMB

Fellow Hoosier Republicans –

As a delegate to the 2020 Indiana Republican State Convention, you're not only an active member of your community and our party, you've played an active role in Indiana's success story. You are a major reason why Indiana is recognized around the country and the world as a top a place to live, work, play, and stay.

Unfortunately, due to the continuing impacts of COVID-19 in our state, we will not be able to conduct a traditional, in-person convention. In order to provide you with access to all major components of an in-person convention, the convention will be broadcast and streamed live by WISH-TV and its news partners on June 18 from 5:30 p.m. – 7 p.m.

Over the last several months, the Hoosier spirit has been on full display and I couldn't be more proud. This spirit of togetherness—of helping our neighbors—is going to get our state back on track quickly and we'll come out of this pandemic stronger than before. And that's why I'm so excited for the next four years. We have a unique opportunity to create some real separation between us and our competition. We'll be on the court, making our plays to strengthen our workforce, our infrastructure, our economy and our public health, all while providing great government service to taxpayers.

I am grateful for your service to our party and your willingness to serve as a delegate during this year's unconventional convention. I know by working together, we'll keep sharing our story with Hoosiers and we'll earn four more years to continue delivering results.

Sincerely,

Eric Holcomb
Governor of Indiana

A MESSAGE FROM GOP CHAIRMAN
KYLE HUPFER

Hoosier Republicans -

Because of you, 2016 was a historic year. Indiana was first on the board to elect Republican President Donald Trump and Indiana's own Vice President Mike Pence. And you didn't stop there. Governor Eric Holcomb, Lt. Governor Suzanne Crouch, and Senator Todd Young were all elected in landslides.

You kept that momentum going in 2018, flipping a United State Senate seat and sending Mike Braun to Washington to support the Trump-Pence team. And, in 2019, we set more records by electing the most Republican mayors in Indiana history.

It comes as no surprise that Indiana will once again be at the center of the political world this year. Although our convention is a little different - the importance of the convention and in the election has not changed. I know each of you - our 2020 Indiana Republican Party State Convention Delegates - will do your part and keep Indiana, and our country, on the right track by electing strong Republican candidates up and down the ballot.

It's crucial we keep Governor Holcomb and Lt. Governor Suzanne Crouch in office so that we can come out of the pandemic stronger than ever before. But we can't stop there! President Trump and Vice President Pence need our help to keep draining the swamp in Washington for four more years! We've seen what these leaders can do so let's help them finish what they've started!

We know that each of you has the capability to make an impact come November. This is why we need all of you knocking on doors, making phone calls, and encouraging friends, family, and neighbors to vote Republican this November.

Thank you for choosing to be on the front lines for your Indiana Republican Party.

Sincerely,

Kyle Hupfer
Chairman, Indiana Republican Party
